The Oxford Bone Infection Unit

9th Annual Oxford Bone Infection Conference (OBIC)

Thursday 26th & Friday 27th March 2020
Examination Schools, High Street, Oxford

Audience: The underlying principle of OBIC is multi-disciplinary working. We invite all grades of orthopaedic and trauma surgeons, plastic surgeons, infection specialists, nursing and therapy staff and researchers to attend.

Programme: Internationally renowned speakers will deliver state-of-the-art talks, including the prestigious Cierny-Mader lecture which is invited each year to honour ‘excellence and innovation in the multidisciplinary management of bone and joint infection’.

The programme will include lectures, workshops and interactive sessions including:

- Do’s and don’ts. An (evidence-based) approach to ...
- Something understood
- Rehabilitation – managing expectations
- Engaging the research agenda
- Making the most of what we know
- DFI models of care
- SPINES
- Prosthetic joint infection
- Trials and big data
- New horizons
- .... and much more

Abstract Submissions: We need you to share your ideas, research and clinical findings and present these to your peers during the conference. Please see over for more details.

Online registration is now open at www.hartleytaylor.co.uk

CALL FOR ABSTRACTS

Dear Orthopaedic, Plastic Surgery, Microbiology and Infectious Disease colleagues

The 9th Annual Oxford Bone Infection Conference represents a superb opportunity to communicate with and to learn from colleagues who manage bone and joint infections.

The aim of this meeting is to educate but also to share ideas and stimulate discussion. This, we hope, will improve clinical practice and encourage research to strengthen the evidence base in this field.

We need you to share your ideas, research and clinical findings and present these to your peers either as a selected oral presentation or selected poster. These can be any projects related to the field of bone and joint infection whether lab based or clinical.

We are asking for challenging cases to be submitted to be presented for panel and interactive audience discussion during the conference. These can also be submitted in abstract form with a view to providing slides later.

So please submit the best and most thought-provoking abstracts you can muster - the team at OBIC will be very pleased to receive them.

There will be prizes for the best poster and oral presentations.

Dr Matt Scarborough
OBIC Organising Committee

Deadlines:

Submission deadline: Monday 10th February 2020 (12 noon)
Notification of selection: By Monday 17th February 2020
