Welcome

Dear colleagues and friends,

Get ready for the **43rd Annual Meeting of the European Bone & Joint Infection Society** which will take place in Bologna, Italy from 11-13 September 2025.

The conference will bring together experts, practitioners and companies involved in the treatment of bone and joint infections. Professionals attending the conference will benefit from high-level scientific presentations, knowledge sharing and networking opportunities.

The programme topics for EBJIS 2025 are:

- ✓ Drug exposures and duration in BJl
- ✓ Everything you want to know about phages
- ✓ FRI: can we save the bone?
- ✓ Infection sequelae of bone cancer
- ✓ Microbiome and future perspectives
- ✓ Multidisciplinarity in bone and joint infections
- ✓ Reconstruction after infections: biological vs metal
- ✓ Rehabilitation and wound management
- ✓ Spine infections: surgical or medical diseases?
- ✓ Updated perspectives on PJI diagnosis
- ✓ BJIs in developing world and regions of conflict

The conference will again be a hybrid event and will offer live streaming and on-demand access to all sessions to all registered participants.

Mark your calendars and don't miss out on this opportunity to advance your knowledge and network with the best in the field.

We look forward to welcoming you to Bologna in September 2025!

On behalf of the EBJIS Executive Committee and the Local Organising Committee,

Ricardo Sousa
EBJIS President

Massimiliano De Paolis
Local Chair

Andrea Sambri
Local Co-Chair
